

## McNeil High School Semester Exam Information

**Attention, parents and students:** Students are expected to be in attendance on the days they are scheduled for an exam and for the entire time of the exam. We will not send passes to release students during an exam period - parent notes for student pick up must be turned in to the attendance window by 8:45AM that day. Exams will not be given before the scheduled day and time. If a student is ill and must miss taking an exam, a make-up exam will be scheduled by the teacher if time allows during the exam week. Otherwise, the exam can be scheduled for December 20th from 1:00-4:15 in the Learning Lab - please contact Mrs. Koen to make arrangements: [kathryn\\_koen@roundrockisd.org](mailto:kathryn_koen@roundrockisd.org)

**\*\*\*Even exempting students MUST be present on exam day\*\*\***

Students may be exempted from three semester exams for classes in which they have a semester average of 85 or above and have no more than two absences that semester from that class, and are present on the exam days when attendance is taken. Students in EOC tested courses (Algebra I, English I, English II, Biology, and U.S. History) will be required to take the mid-semester exams in the fall; however they will not be required to take a spring semester final in the EOC tested subjects.

The second semester courses exempted shall not be the same courses exempted the first semester. For exemption purposes only, three tardies count as an absence no matter where they occur across the schedule.

Seniors and juniors may have up to four absences when two of those absences are the excused absences allowed for visiting colleges and universities. Only two days for college visits are allowed per year (see College Visits).
